Tasting notes

Bright, light lemon- green colour. Pleasant elegant aromas of citrus fruit, such as citron and grapefruit, based upon a background of small white flowers.

The successful combination of the insular grape varieties gives a uniquely tasteful, powerful, intense wine with a long, lemon aftertaste.

Gastronomy – Serving temperature:

Ideal wine for difficult combinations such as cooked oysters, oily fish, dishes based on rice, pasta with sauce, but also poultry or white meat cooked in white sauce.

Best served very cool, around 8-10 °C.
