Tasting notes

Deep red colour. In the nose the aromas of ripe black fruits and olive prevail, while in the background the most dominant ones are the discreet aromas of black pepper and cloves. Strength, richness, warmth and generosity are the characteristics of a wonderfully balanced and structured wine. Complex, intense touch and long warm aftertaste with hints of spices and licorice.

Gastronomy – serving temperature:

Try it with juicy fillets, BBQ, steaks, but also cooked red meat, dishes with truffle, game and crusty cheese. Best served at 16-18 °C.
