

Keo Heritage 2001

Heritage

A unique dry red wine made from the rare Cypriot grape, Maratheftiko. Aromas of dried berry, spice, earth, leather and tobacco fill the nose. In the mouth, it is medium to full bodied with flavors of spice, earth, vanilla and black berries. With age, the tannins soften and become rounder, while allowing the fruit flavors to further develop. The wine is aged for one year in French oak and one year in the bottle. Produced in limited quantities.
