## VINEYARDS

Entirely sustainable and certified organic vineyards at an altitude of 200-250m in the uplands of Theopetra and surrounding area of Meteora. 15 year old vines.

---

## SOIL

Sandy clay.

---

## CLIMATE

The mesoclimate of the region is continental, with rainy cold winters and sunny, hot and dry summers. The high diurnal temperature range during spring and summer allows intense and complex flavors to develop and slow maturation retaining high levels of acidity.

---

## VINIFICATION

Controlled fermentation and aging of organically grown grapes in French and American oak barriques for 12 months. Aging in the bottle for a further 12 months.

---

## SERVING SUGGESTIONS

Pairs well with traditional Greek cuisine, tender red meat and fruit and nut based desserts. Best enjoyed at 16-18C.

---

## TASTING CHARACTERISTICS:

Fruity aromas of cherry and raspberry, sweet aromas of quince and figs, spicy aromas of nutmeg and black pepper

Supple and round with silky tannins, flavors of red fruits and sweet spices
