

APLA RED 2016

Xinomavro - Cabernet Sauvignon - Limniona

Tasting notes: The nose is intensively fruit-driven with aromas of fresh berries and tomato leaves. In the mouth it is well balanced, while Xinomavro gives freshness and intensity and shows good vibrancy on the finish.

Vinification: CS has been fermented in small inox tanks; Xinomavro and Limniona in big barrels (5hl).

9 months aging on the fine lees before blending and bottling

Food matching: Perfectly served with grilled meats, cold cuts and cheese. Its unique structure makes it also good with spicysauces.

The winery: OENOPS WINES PC was founded in 2015 by Nikos Karatzas and it is the most newly established winery in the region of Drama. Its main purpose is to produce highest quality wines in limited quantities. The grapes come from personally selected vineyards from Drama and Macedonia in general, that are cultivated from ambitious winegrowers.
